elZinc® is a global leader in the zinc sheet marketplace and utilizes state of the art technology to produce the world's best zinc material!

Custom Slitting and Shearing

Custom Formed Trim and Flashing

Zinc can be many colors, but it's always 'green' and sustainable!

Zinc is 100% recyclable, highly sustainable and requires much less energy to produce than other common metals.

Zinc! Essential for life, and perfect for modern buildings!

We ship anywhere!
